SOMEDAY...IS RIGHT NOW

Fishing & Hunting Trips of a Lifetime

About Sampson Outdoors

Since 2000, SAMPSON OUTDOORS has been uniting everyday Sportsmen and Sportswomen, just like you, with fishing and hunting trips of a lifetime. So many of us dream of going fishing in Alaska, killing a monster Muley or a 400 class Bull Elk in Colorado, or a Cape Buffalo in Africa, but it's always just been a dream. With today's rising costs, those adventures seem impossible. Sampson Outdoors, is here to help you reach your dreams. We help you plan and provide affordable means to realizing your dreams. Our motto is **"SOMEDAY... is Right Now!"**

Too many of us wait and never experience that trip of a lifetime with our friends and family members. It's not all about the catch or the kill, it's about building memories. Our goal has and will continue to be to help our members realize their dreams, check off those bucket lists, without emptying their wallet to get there.

Compared to other clubs, our club is unique because we give back. It's not about profit. Sampson Outdoors is committed to helping those that have given so much to this country and protected our families, but now suffer the results. We provide a portion of all profits back to the veterans who suffer from Post Traumatic Stress Disorder (PTSD). We will provide hunting and fishing opportunities to the veterans by way of partnering with the non-profit organization, WildOps. (See www.wildops.org)

Many of our members have fished and hunted with us for over 20 years. With your membership, our promise is to help you, help our partners (outfitters, stores and other companies) and help the veterans who need it the most. For less than a tank of gas and dinner, you immediately have chances to win monthly & annual grand prizes, receive help planning your fishing and hunting adventures, receive daily discounts on outdoor gear, receive huge savings on fishing & hunting trips of a lifetime, all while helping to save lives of those who no longer care!

We have a team of folks, just like you, that want to help you reach your dreams. By working together, uniting, we all reap the rewards. Adventures of a lifetime take planning, saving, and determination; but the memories made are free and last forever.

Let us, help you, experience all that you desire.

FOUNDER OF SAMPSON OUTDOORS — Theodore (Tad) Sampson —

Theodore (Tad) Sampson founded Club Hunt On / Club Fish On (Sampson Outdoors) in the year 2000 when he was acting as President/CEO of his estate & retirement planning corporation of 28 years.

At the same time, Tad was and is still employed, for nearly 26 years, as a Licensed Professional Civil Engineer for the State of California, Department of Transportation.

In 2018, Governor Brown of California awarded Tad the Medal of Valor; the highest honor bestowed by the State of California. Medal of Valor recipients are employees of the State who have performed an extraordinary act of heroism far above and beyond the normal call of duty.

Tad graduated from California State University at Sacramento in 1993, with a BS Degree in Civil Engineering.

In his spare time, Tad volunteers his time as a youth football and baseball coach.

Tad has one son.

A thank you to Sampson Outdoors,

As the local Fish and Wildlife Wardens, we have run into and checked in on a number of Sampson Outdoor's events over the past couple years. I have to say personally, that I always look forward to spending time with the group hunts and the families taking part in them. At the California Department of Fish and Wildlife, the Wardens in the field work diligently every day to protect the resources of this state and to ensure the next generation has game to hunt. Seeing the involvement and excitement of the younger, up and coming generation in these hunting activities reminds us of our purpose and mission. Every time I have stopped by to check on a Sampson Outdoor's hunt event we have been met with respect and enthusiasm by everyone involved.

Additionally, the work that Sampson Outdoors has done for the Veterans in the area is truly unrivaled, in my experience. We all need to work harder and to go further when it comes to supporting our Veterans. From what I have seen, Sampson Outdoors is doing that, literally saving the lives of some of the most vulnerable heroes.

From your local Game Wardens and the whole of CDFW, we thank you for the work you have done and the lives, young, old and in-between, that you have impacted. We look forward to seeing you in the field.

Thank You Sampson Outdoors,
Wildlife Officer K. Glau

Giving back to those who have given so much to this country.

Because of your membership support, a percentage of the profits made by "Sampson Outdoors" will be shared with WILD OPS; an organization devoted to helping veterans with "Post Traumatic Stress Disorder"; (PTSD). Tad's cousins, Marsha and Scott Robertson, (Si Robertson's son, on the popular show "Duck Dynasty") are members of WILD OPS and have provided "Sampson Outdoors" the opportunity to partner with their organization.

There are isolated veterans all across our country. These veterans may be surrounded by family and friends, co-workers, or perhaps a church family. Yet, regarding their post-combat emotions, they struggle alone.

Our objective at Wild Ops is to identify these isolated veterans and have them participate in an outdoor adventure with other combat veterans.

While each trip will be unique, our mission for every excursion is the same - facilitate the healing of scars that are unique among combat veterans. We will hunt, fish, talk, laugh, pray, eat, enjoy nature, and each other's company.

Our goal is that every veteran realizes that they are not alone and that healing and recovery is possible.

Giving Back to Those Who Have Given So Much

IDPA 2025

With the help of the Sacramento Defensive Pistol Shooters and the 2025 International Defensive Pistol Association (IDPA) – **SAMPSON OUTDOORS raised \$5,300 for veterans.** All money was donated to WILD OPS®, a veteran nonprofit organization dedicated to helping fellow combat veterans find support, hope, and healing in the battle transitioning back into civilian life, through faith-based programs.

Veteran Anthony Anderson supports Sampson Outdoors and our cause to help veterans suffering from PTSD

Sampson Outdoors sincerely appreciates your contribution to our cause and support to our club. Throughout the year through club memberships, merchandise sales, and of course all the money raised at our annual banquet, donations made throughout 2025 helped raise **over \$50,000!**

Annual Banquet 2024

Thanks to all our 2024 members along with all the new friends who attended our Annaul Banquet in December of 2024, **SAMPSON OUTDOORS raised \$5,000 for veterans.** This was donated to WILD OPS®, a veteran nonprofit organization dedicated to helping fellow combat veterans find support, hope, and healing in the battle transitioning back into civilian life, through faith-based programs.
